

[Training Session Report]

Ref No. MR-SVCHP-0006E

June 30, 2025

Technical Training Conducted for MOL (Mitsui O.S.K. Lines, Ltd.) 1st Engineers

Dear Sir/Madam,

We hope this message finds you well.

We would like to express our sincere appreciation for your continued support and cooperation.

We are pleased to inform you that we recently conducted a technical training session at our premises for five First Engineers from Mitsui O.S.K. Lines, Ltd. The details of the training are as follows:

- Training Period : June 23 (Mon) - June 25 (Wed), 2025
- Participants : 5 First Engineers from Mitsui O.S.K. Lines, Ltd.
- Training Equipment : Main Engine Remote Control System
Electronic Governor System
Pneumatic Maneuvering System

The training was designed to deepen participants' understanding of the functions, and operations of our products, with a focus on enhancing practical skills relevant to onboard operations.

Through such training sessions and technical exchanges, we hope to further strengthen trust in our products and contribute to the safe operation of vessels.

We sincerely appreciate your continued support and cooperation.

Yours faithfully,

Service Department
Marin Control Systems Company
Nabtesco Corporation
